### **Heritage 101: How to get the most out of your Heritage Experience**

What is Classical Christian Education, the Trivium, and Culture and Conduct and why do they matter at Heritage? Sit and learn from Heritage Headmaster and mother, **Erin Hames**, and Heritage mother and Board member, **Mary Pugh**, as they provide insight on setting your family up for success at Heritage. You may be under the impression that once you have read Culture and Conduct, you never need to read it again. When you attend this workshop, we will highlight and break down concepts in an engaging way. This workshop is geared toward all families, new and veteran, and it will be helpful to any parent who wants a better understanding of our distinct culture and the intentional, tried, and tested methods for creating and maintaining this wonderful community that the Lord has built.
